In re Application of :
Cully T. Cederberg :
Serial No. 09/382,709 : DECISION ON REQUEST
Filed August 23, 1999 : FOR SUPERVISORY REVIEW
For: THE DOOR JAMB :

This is in response to the REQUEST FOR SUPERVISORY REVIEW filed February 13, 2002.

This application is currently under a non-final Office action mailed November 26, 2001.

The petition is DENIED.

Petitions for supervisory review are filed under 35 USC 1.181. Such petitions must contain a statement of the facts involved, the points to be reviewed and the action requested. This petition contains none of the above, merely requesting that a supervisor review the Office action dated November 26, 2001.

Applicant has filed this petition based on suggestion by the Supervisory Patent Examiner, Carl Friedman, who indicated that if applicant was not happy with the action that such a petition be filed. As noted above the petition is incomplete. Further, applicant should be made aware that such petitions are only for procedural matters and not matters subject to appeal.

The application is being returned to Central Files to await applicant's response to the outstanding Office action.
